Dear Legislators:

I am writing to notify you of my strong opposition to **SB 184 & HB 5262** of the proposed changes to the policy for an absentee ballot.

I am highly concerned about the opportunity for fraud and would ask that additional parameters be added (i.e. require proof of signature). I also request for you to establish a timeline before considering this type of change. It makes no sense to have 0 criteria for how or when to submit an absentee ballot.

Thank you for your attention and consideration to maintain integrity and proper handling of our elections.
